Dear \_\_\_\_\_

We are delighted to offer you a place at the University of Toronto. Your record of achievement has distinguished you in a pool of highly accomplished applicants and you have been selected for admission in the 2024-2025 academic year to International Foundation Program - Math & Physical Science at the Faculty of Arts and Science with membership to New College. Congratulations! Successful completion of this program will confirm admission for the 2025-2026 Fall/Winter Session to Math & Physical Science at the Faculty of Arts and Science.

At the University of Toronto, we are committed to helping you reach your highest potential. We believe you will be an excellent addition to a community of scholars who share a passion for learning, a deep curiosity about the world and a commitment to making a difference. You'll have a chance to learn from professors who lead in their fields and to benefit from the resources of a major international institution. You'll make friends with others who share your interests and aspirations.

Some important logistics:

- Legally speaking: Please read the Terms and Conditions of this offer outlined in your Join portal.
- Accept your offer via Join. Your response must be received no later than June 03, 2024.
- **You must apply for a study permit as soon as possible, using the letter of acceptance attached on the second page of this admission package.**

Once again, congratulations. We hope that you will take this opportunity to write the next chapter of your life at the University of Toronto and make your distinctive contribution to our proud legacy of excellence.

Sincerely,

Meric S. Gertler

## University of Toronto Letter of Acceptance for Study Permit Application

May 24, 2024

**Birthdate:**

**Student Number:**

The above-named student has been admitted to the International Foundation Program at the Faculty of Arts and Science at the University of Toronto as a full-time undergraduate student. The program to which this student has been admitted leads to completion of a Bachelor's degree after five years of full-time study, culminating with graduation on June 30th of the fifth year.

Classes begin September 3, 2024.

The program fee for the 2024-2025 academic year will be approximately \$50,000\*.

The residence fee will be approximately \$16,000.

International students must obtain a study permit by [applying online](#) or at the visa application office responsible for their country of citizenship or residence as soon as possible. If currently studying at a secondary school (high school) in Canada, international students must ensure their study permit is valid when starting classes.

The University of Toronto DLI Number is O19332746152 (the number begins with the letter "O").

If you would like to verify authenticity of this letter of acceptance, please visit: <https://uoft.me/letterverification>.  
The unique verification code for this letter is: **UPU-SMYJ**

**Notice of Collection**

*Immigration, Refugees and Citizenship Canada (IRCC) may ask the University of Toronto to verify your letter of acceptance (LOA) and to provide information about you necessary to support the integrity of the study permit application process. By applying for a study permit to attend the University of Toronto, you authorize the University to validate information about you and your LOA with the IRCC. If you have any questions about how your data may be shared, please contact the [University Registrar's Office](#).*

\* This figure does not include: compulsory incidental fees which vary by admitting faculty and range from \$1000 to \$2000, and a \$756 enrolment fee for the University Health Insurance Plan (UHIP). UHIP is a mandatory health insurance plan for international-fee paying students who study in Ontario. The enrolment fee is estimated for a single student with no dependents. The fees invoice will be available to the student in mid-July.
